

How to Get a Good Watch and Chain Free.

Not a "Cheap" Watch—But a FINE-APPEAR-
ING, Stem-Winding and

Stem-Setting Watch, Guaranteed a Perfect Time-Keeper.

This Watch Often Keeps Better Time than any other Watch in the Neighborhood.

Our Big, New Contract for Watches—just made—enables us to offer them on Better Terms than ever before. **READ EVERY WORD BELOW.** Every Statement is absolutely True:

We have secured for our friends one of the **most serviceable** watches ever made, a stem-winder and stem-setter, having all the modern appliances known to the watchmaker's art. The case is **nickel**. It is two inches in diameter and three-quarters of an inch thick. The cuts show the correct shape. Remember this is no toy, but an ordinary modern watch which will last for years, and one which any person may be proud to carry in his vest pocket. It is guaranteed by the manufacturer, and if not found exactly as represented this guarantee is assumed by us. A watch like this a generation ago would have cost \$20, even if it could have been produced, but the fact is it contains appliances unknown at that time.

In addition to the watch we send in every instance a neat and serviceable chain, so that the outfit will be ready to put on and wear as soon as received.

HOW TO GET IT.

We do not sell this watch without the paper, and no one can secure one of these splendid timepieces by itself. We will send this watch by mail to any person who will send us a

CLUB OF ONLY FOUR YEARLY SUBSCRIBERS.

Understand that you pay nothing for the watch, but send us **four** names and addresses of subscribers, to THE NATIONAL TRIBUNE with \$1 for each subscriber, who will receive the paper for one year, postpaid, and choice of any two of our war books, and we will send you the above-described watch and chain, with a charm, postpaid, to your address **absolutely Free** of charge.

No one, therefore, need be without a watch equal for keeping time to any in the neighborhood a single day longer. Indeed, it will not take a day for anyone to get up this small club of only **four** subscribers at \$1 each for the **best family newspaper** in the United States. Try it, and see for yourself how easy it is. Read the testimonials of those who have carried the watch.

Remember that in addition to the paper for one year each subscriber gets any two of the great war books free and postpaid, or the two historic war pictures, "The War House" and "The War Senate." This makes **club-raising easy**. We want THE NATIONAL TRIBUNE to go for the coming year into every patriotic home in the country. **Do not lose time**, but attend to this matter the very day you receive this offer.

A Premium Well Worth Earning.

Beautiful China, Decorated in Three Colors.

Pure white back ground, Gold edges.

This ware is beautiful semi-porcelain of American manufacture. We have given away thousands of sets as premiums for club raisers. We do not sell them.

The few pieces shown above are simply as samples to exhibit the style of shape and decoration of the set.

We have two sets of this china: First, a 56-piece set, which consists of 12 plates, 12 fruit-saucers, a teapot and cover, a sugar-bowl and cover, a creamer, one bowl, one dozen teacups, one dozen saucers to match, one bread-plate and one cake-plate. We have also a dinner and tea set combined, consisting of 84 pieces. This dinner set comprises 12 dinner-plates, 12 tea-plates, 12 cups, 12 saucers to match, 12 fruit-saucers, 12 individual butter-plates, two cake-plates, one teapot and cover, one sugar-bowl and cover, one creamer, one bowl, one large meat-platter, one large, stylish gravy-boat, and one large vegetable-

dish and cover, making in all a complete dinner set of 84 pieces.

We will send the 56-piece tea set to any of our friends who will send us a club of 10 yearly subscribers to THE NATIONAL TRIBUNE at \$1 each, and \$1 additional money to help pay the expense of packing and shipping.

We will send the 84-piece set to anyone who will send us a club of 10 yearly subscribers to THE NATIONAL TRIBUNE at \$1 each, and only \$2 additional money to help meet the extraordinary expenses connected with this offer. These handsome sets of china are securely packed in barrels, and will be sent by freight, the receiver paying charges.

The freight expense will be very trifling—seldom exceeding 50 cents—as we shall have them shipped from the pottery, which is located in the center of the country.

Artificial Limbs Free.

We have made an arrangement with the leading manufacturer of artificial limbs in the country to supply our friends through us without the outlay of any money on their part.

Should any comrades be in need of a leg or arm, we invite them to correspond with us on the subject. We propose to buy the limb for them in return for a club to this paper. We cannot in advance decide what the size of the club will be, because it will vary according to the case. A leg above the knee, for example, costs more than below the knee.

Write us what kind of leg, or foot, or arm you need; whether below or above the knee or elbow, and whether a rubber foot or ankle joint is preferred, and we will give prompt attention to each case and make the club as small as possible.

A very little trouble may in this way secure the leg or arm by canvassing among friends. It is not asking a contribution from

them, because you give them full value for their money, and you thus earn the leg by congenial and easy work. If a veteran to whom a leg is due from the Government, the comrade may draw the money and use it for other purposes and have the leg also.

Write us at once, and get the leg before the holidays.

HANDSOME SILK UMBRELLA.

We send a handsome black silk umbrella, with steel rod, paragon frame curved Congo handle, silk case and tassels, close rolled, and extra finish, for a club of only TEN yearly subscribers to THE NATIONAL TRIBUNE at \$1 each.

Marion, Mass.
